About Dr. Singh

Dr. Justin Singh is a fellowship trained foot and ankle surgeon. He is board certified by the American Board of Podiatric Medicine. Dr. Singh is an associate member of the American College of Foot and Ankle Surgeons. He is also a member of the American Podiatric Medical Association.

Dr. Singh completed a reconstructive surgery and deformity correction fellowship where he advanced his training in revisional foot and ankle surgery, complex limb salvage, peripheral nerve surgery and sports medicine. He also furthered his surgical skillset by obtaining extensive training in microsurgery of the lower limb, local orthoplastic flaps and external fixation. During his fellowship year he also served as the team physician for their local high school football team.

Dr. Singh completed a reconstructive foot and ankle surgery residency at Mercy St. Vincent Medical Center in Toledo, OH, where he gained extensive experience in reconstruction of the foot and ankle, complex diabetic limb salvage, sports medicine and trauma. He has presented at national conferences and stays up to date with current surgical and non-surgical treatment options.

Dr. Singh grew up in the northwest suburbs of Chicago. After completing his undergraduate degree at Augustana College in Rock Island, IL, he then completed his podiatric medical education at Rosalind Franklin University of Medicine and Science in North Chicago, IL.

In his spare time, he enjoys working out, playing basketball, and learning about new and innovative technology.
